Dated: 04-07-2017

Advertisement for the post of Senior Research Fellow (SRF)

A walk in interview will be conducted to recruit one purely contractual post of "Senior Research Fellow (SRF)" to work on a Project entitled as "*A study on Acute Encephalitic Syndrome in hospitalized pediatric and adult patients with special reference to Japanese Encephalitis*" funded by Indian Council of Medical Research (ICMR) under Principal Investigator.

Essential Qualification:

M Sc in life Sciences/Biotechnology with two years research experience

OR

MBBS with one year completion of Internship in MCI recognized Medical Colleges of India

Desirable:

- a) PhD in Life Sciences/ MD in Community Medicine with research experience in Vector Born diseases evidenced by minimum two publications in Indexed Journals.
- b) Experience in hospital based AES surveillance and microbial techniques.
- c) Knowledge of computer application/data management.

Fellowship: Rs. 18000/ per month plus HRA as per project rules.

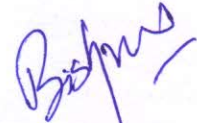

Duration of the post: The selected candidate will be initially appointed for a period of one year only and renewable subject to satisfactory performance after an annual review. Please note that this post will stand automatically terminated after the completion of the project or if discontinued by the funding agency, whichever is earlier. The appointment can be terminated by giving a notice of one month from either side. Interested candidates should send brief resume by e- mail to drbishnu07@yahoo.co.in on or before 10th July 2017.

Date of interview: Interview will be held on 15th July, 2017 (Saturday). However, the short listed eligible candidates will be informed through e-mail in due time.

Venue: Medical Education Unit, Jorhat Medical College, Jorhat.

The candidates are requested to bring a complete set of application furnishing biodata on a plain paper along with a copy of testimonials and all the original testimonials at the time of the interview.

No T.A / D.A will be provided for candidates appearing for the interview.
